Room by Hubert Selby Jr is a slow painful ride into Hell. This isn't the path to the fiery pits but, to null. In this book Selby presents a man who is slowly and inexorably losing his mind in prison. The Room is no fast paced page turner, this book isn't for those seeking instant literary gratification. Both the pace and Selby's style of little punctuation and long thick paragraphs can make for a tedious read at times but, in my opinion this book is worth sticking with.
