Ways of Motivating EFL ESL Students in the Classroom

Motivation in the ESL/EFL classroom is easily one of the most important factors as I'm sure most teachers would agree with me. The main reason I'm coming to this point of view is that most of our students have low motivation to learn English. In addition to that, while most of them have a vague sense that whether "English will be useful for my future" or not, they don't have a clear idea of what that means, nor is that a very strong motivator; it's too vague and too far off.

Motivation in the Classroom EduZenith

Good motivation can help students fix their goals in life. There are many students, who lose interest in their studies due to lack of attention and guidance from their teachers. Because of this, they end up being failures in their life when they grow up even though they had all the skills, abilities and talent to reach the topmost position.

The Si Language in India

The Significance of Motivation in the ESL Classroom 75 Generally, motivation can be observed among learners based on their attitude to learning a language. When they have a good attitude, it has a positive, efficient and optimum effect, and the other one is bad attitude which creates blocks and causes weakness for learning a language.
